

SOA Certified Professional (SOACP) Certification Matrix

Use this matrix to map exam requirements to certification tracks. These views can help you plan certification paths and discover how exams that you have passed may already be giving you credit toward additional certifications. This matrix is available online at www.soaschool.com/matrix.

	Certified SOA Consultant	Certified SOA Analyst	Certified SOA Architect	Certified SOA Java Developer	Certified SOA .NET Developer	Certified SOA Governance Specialist	Certified SOA Security Specialist	Certified SOA QA Specialist
